

3,000+ ARCHITECTS & ENGINEERS CALL FOR NEW INVESTIGATION OF DESTRUCTION OF THE 3 WORLD TRADE CENTER SKYSCRAPERS ON 9/11/2001

The AE911Truth Petition

TO THE MEMBERS OF THE HOUSE OF REPRESENTATIVES AND OF THE SENATE OF THE UNITED STATES OF AMERICA

Please take notice that:

On Behalf of the People of the United States of America, the undersigned Architects & Engineers for 9/11 Truth and affiliates hereby petition for, and demand, a truly independent investigation with subpoena power in order to uncover the full truth surrounding the events of 9/11/01 – specifically the collapse of the World Trade Center Towers and Building 7. We believe there is sufficient doubt about the official story to justify re-opening the 9/11 investigation. The new investigation must include a full inquiry into the possible use of explosives that might have been the actual cause of the destruction of the World Trade Center Twin Towers and Building 7.

Sincerely,

The Undersigned
