

# SIGN THE PETITION

I subpoena power in order to uncover the full truth surrounding the events hereby petition for, and demand, a truly independent investigation with of 9/11/01—specifically the collapses of the World Trade Center Towers and Building 7. I believe that there is sufficient doubt about the official story and therefore that the 9/11 investigation must be re-opened and include a full inquiry into the possible use of explosives that might have been the actual cause of the destruction of the World Trade Center Twin Towers and Building 7.
