Schuylerville, NY 12871

Dear Mr. Cole:

This acknowledges receipt of your April 9, 2012, Freedom of Information Act (FOIA) request to the National Institute of Standards and Technology (NIST) in which you requested "Referencing NCSTAR 1-9, Vol 1, Page 21, PDF page 65, which reads:

'Steel columns (or posts as they were termed on the contract drawings) supported the penthouse structure'

Please provide the following records:

1. The 1989-1990 east penthouse contract drawings.
2. The details about the concrete pad constructed for the east penthouse structure.
2. Drawings showing the modifications made by Salomon Smith Barney in 1989-90 to the roof and other floor levels during their renovations prior to occupancy."

Your request was received at the FOIA Control Desk on April 10, 2012, and was assigned FOIA Log #12-135.

Darla Yonder, Management Analyst of my office is the contact point for processing your request. If you have any questions regarding your pending FOIA request, she may be reached by email darla.yonder@nist.gov or by phone (301) 975-4064.

Sincerely,

Catherine S. Fletcher
Freedom of Information Act Officer

NIST

AUG 29 2012

David Cole
733 Route 32N
Schuylerville, NY 12871

Dear Mr. Cole,

This letter is the first interim response to your April 9, 2012, Freedom of Information Act (FOIA) request, Log #12-135, to the National Institute of Standards and Technology (NIST) for

'Steel columns (or posts as they were termed on the contract drawings) supported the penthouse structure'

Please provide the following records:

1. The 1989-1990 east penthouse contract drawings.
2. The details about the concrete pad constructed for the east penthouse structure.
2. Drawings showing the modifications made by Salomon Smith Barney in 1989-90 to the roof and other floor levels during their renovations prior to occupancy."

NIST has conducted a search of our files and located records responsive to your FOIA request. Enclosed you will find one (1) disk, that contains one (1) electronic record, consisting of one (1) page that is being released in its entirety.

NIST is continuing to process additional records responsive to your request, and we will continue to send releasable records on a rolling basis as they become available.

Sincerely,

Catherine S. Fletcher
Freedom of Information Act Officer
