Subject: Request For Construction drawings,Of the twin towers,And its Lower Buildings

Hello My name is Andy Mulderij

I work and Life in the netherlands,

I am working on a Memorial Project,

My goal is to recreate the World Trade Center Complex as it was Before Sept 11 2001 In 3D,

I found Drawings on the internet Containing a set from The north tower,

But I want to make the other Buildings to,

Is it possible for me.To recieve a Set of Drawings to Complete This Project,

I do This project in all free time i have,I wil Submid the model after Completion To the Memorial and Museum,

I wil include some 3D animations Of the north towers Facade i already have build,

I Hope For Support,

Best Regards

Andy Mulderij,Heerlen,The Netherlands

Ps.The logo is Carried as Tribute!
